

Crossnote-CLI

Huh?

- The **Markdown Preview Enhanced** [VSCode extension](#)
- has a utility library [crossnote](#)

This projects wraps this in a opinionated CLI tool

How to:

create a configuration file

```
npx 7frank/crossnotes-cli init
```

export your markdown files to PDF

```
npx 7frank/crossnotes-cli generate
```

Change your configuration file to your needs.
